## Chapter 1: Introduction

Each person who, during a calendar year, is a member of Dáil Éireann (TD), a member of Seanad Éireann (Senator) or a member of the European Parliament (MEP) is required, by 31 January of the following year, to furnish to the Standards in Public Office Commission (the Commission) a donation statement, a certificate of monetary donations, a statutory declaration and, where appropriate, a bank statement in respect of the previous year.

It is an offence to fail to make the necessary returns by the statutory deadline. Where a person is guilty of an offence under this section, he/she is liable on summary conviction to a fine not exceeding €2,500 and to an ongoing fine not exceeding €500 per day for each day, after a conviction, on which the statutory returns are still outstanding.

This report concerns the statutory returns furnished by TDs, Senators and MEPs in respect of 2021.

Details of donations disclosed and made are provided in the appendices to this report.

## Chapter 2: General information

The Commission has published guidelines for TDs, Senators and MEPs (collectively referred to herein as “members”) on donations setting out the requirements relating to various matters such as the acceptance and disclosure of donations, prohibited donations and political donation accounts. The guidelines (summarised in the following table) are available on the Commission's website, [www.sipo.ie](http://www.sipo.ie).

### Summary donation table for TDs, Senators and MEPs

<b>Political donations account</b>	On receipt of a donation of in excess of <b>€100</b> a political donations account must be opened (if one has not already been opened) by a TD, Senator or MEP.
<b>Cash donations</b>	<b>€200</b> is the maximum cash donation that may be accepted by a TD, Senator or MEP in any calendar year from a donor.
<b>Corporate donors</b>	<b>€200</b> is the maximum donation that may be accepted by a TD, Senator or MEP in any calendar year from a corporate donor unless the corporate donor is registered in the Register of Corporate Donors maintained by the Commission. A political party that wishes to make a donation for political purposes in excess of €200 in a calendar year must register as a corporate donor with the Commission before making such a donation.
<b>Individual donors</b>	All donations received by a TD, Senator or MEP exceeding <b>€600</b> must be disclosed on the donation statement.
<b>Maximum donation</b>	<b>€1,000</b> is the maximum donation that may be accepted by a TD, Senator or MEP in a particular year from an individual or corporate donor
<b>Multiple donations</b>	Where a donor makes a donation to two or more recipients (multiple members of the same party or to one or more party members and the party itself), the aggregate value of which exceeds <b>€1,500</b> , he/she is required to submit a donation form to the Commission under Section 24 (1A)
<b>Prohibited donations</b>	<ul style="list-style-type: none"> <li>• Any donation that exceeds the above noted limits</li> <li>• An anonymous donation exceeding <b>€100</b> cannot be accepted</li> <li>• Foreign donations, of any value, cannot be accepted from outside the island of Ireland, other than from an Irish citizen</li> </ul>

Note: additional donation rules apply for political parties and third parties. Please see [www.sipo.ie](http://www.sipo.ie) for further information.

## Chapter 3: Donations disclosed

The table in Appendix 1 provides a summary of donations disclosed. Individual donation statements can be viewed on the Commission's website.

A total of 233 members and former members were required to furnish donation statements in respect of 2020, as follows:

- 160 TDs
- 59 Senators
- 13 MEPs
- 1 former TD

### Returns received

All members were obliged to furnish their donation statements by 31 January 2022. Where the Commission finds a minor error or omission in a donation statement, it will furnish details of the error or omission to the member and will notify the member that he/she has 14 days from the date of the notice in which to correct the error or make good the omission.

All members have substantively complied with some minor queries still outstanding. These queries are being pursued. As all are in substantive compliance, no files were referred to the Director of Public Prosecutions.

In one case, a TD received a cash donation of €1,000. The Act requires that where a cash donation in excess of €200 is received, the Member must either return the donation or the part in excess over €200 to the donor, or remit the donation to the Commission. The Commission wrote to the TD to advise him of his obligations and of the necessary steps to achieve compliance. The TD concerned returned €800 to the donor. Details are set out in the table at Appendix 3 below.

The table in Appendix 1 shows that donations with a total value of €3,800 were disclosed by members in respect of 2021. When refunds are taken into account, the net total for donations received was €3,000. This is a decrease from the 2020 equivalent figure, which was €64,875, the general election held in February 2020 is the likely reason for the relatively high value of donations disclosed in 2020.

## Chapter 4: Donations disclosed by donors under section 24 (1A)

Section 24 (1A) of the Act provides that an individual must furnish a donation statement and a statutory declaration to the Commission if he/she, in a particular year, makes donations exceeding €1,500 in aggregate value to two or more persons who were members of the same political party when the donations were made, or to a political party and to one or more of its members. The donation statement must give details of the donations and the persons to whom they were made, and must be furnished by 31 January of the following year.

If a donor does not intend to comply with this requirement and a member or a party is aware of this, the member/party is prohibited from accepting a donation from that individual.

Two donation statements from individual donors were received in respect of 2021. The table at Appendix 2 sets out the details of the donations disclosed. Donations with a total value of **€3,570** were disclosed by the 2 donors in respect of 2021. The equivalent figure for 2020 was €39,189.

## Chapter 5: Publication of donation statements

The Commission has today laid the donation statements referred to in this report before each House of the Oireachtas, pursuant to section 24 (7) (a) of the Act, and the documents are available on the Oireachtas website, [www.oireachtas.ie](http://www.oireachtas.ie).

The donation statements received are now available on the Commission's website. A copy of this report and accompanying press release are also available on the Commission's website, [www.sipo.ie](http://www.sipo.ie).

Certificates of monetary donations, statutory declarations and accompanying bank statements are not required to be laid before the Houses and are not available for public inspection as per Section 23B(8) of the Electoral Act 1997.
